**SUBJECT: APPRECIATION FOR PARTNERSHIP AND MINISTRY SUPPORT**

Dear Shepherd N Sheep Ministries Family,

Warm greetings from Elim Primary School in Nairobi, Kenya. We write this letter with heartfelt gratitude to express our sincere appreciation for the spiritual and financial support that SNS has provided to our school throughout the years. Your generosity and prayers have been a source of strength, encouragement, and tangible blessing to our learners, teachers, and the entire Elim community.

Through your partnership, we have witnessed not only improvements in our school's programs and environment, but also in the spiritual growth and confidence of our pupils. Your financial assistance has helped us sustain vital school needs, while your continued spiritual investment has strengthened the faith and unity among our staff and students.

We would also like to extend special recognition to Ms. Victoria Executive Director of Shepherd N Sheep Ministries - Texas, for her outstanding dedication and love for Kenya over the years. Ms. Victoria has been actively involved in training pastors and church leaders from Kenya and neighboring countries in effective evangelism and outreach. Her hands-on involvement going door to door in the slums of Nairobi, praying for families, and sharing the Gospel has left an unforgettable mark on many lives.

Since 2017, she has faithfully participated in mission work in Kenya, combining compassionate giving with the boldness to proclaim the Gospel. Her personal commitment to sponsoring and mentoring a disadvantaged Kenyan girl, whom she affectionately calls her daughter, is a true reflection of the heart of Christ. Under her continued guidance and support, this young lady has excelled academically under the Cambridge Curriculum and is now pursuing her dream of becoming a surgeon a powerful testimony of what God can do through love and faith in action.

Elim Primary School recognizes and celebrates the broader impact of Shepherd N Sheep Ministries, founded in 1999 as a 501(c)(3) nonprofit evangelism ministry in Louisiana, USA. The ministry's ongoing work training more than 55 classes through its Evangelism Institute, helping churches establish evangelism departments, and conducting community outreaches continues to inspire us.

We are deeply thankful for your obedience to God's call and your continued support of ministries and schools like ours. Your vision to spread the Gospel through evangelism and missions aligns beautifully with our mission to raise children who are academically excellent and spiritually grounded.

May God continue to bless Shepherd N Sheep Ministries with favor, provision, and open doors as you expand to reach even more souls for Christ around the world.

With gratitude and blessings,

Pst. Solomon Safari  
**Director - Elim Primary School**
